SARAH NETBURN, United States Magistrate Judge:

Due to a calendaring error, the Court is no longer able to hold the settlement conference previously scheduled for December 5, 2019. The parties are directed to contact Courtroom Deputy Rachel Slusher with both parties on the line, at (212) 805-0286, as soon as practicable to reschedule. And, if the parties no longer believe a settlement conference would be productive, they shall so state.

SO ORDERED.
